ENQUIRIES

Visit our website www.remint.school.nz for information on all areas of Remuera Intermediate School.

The school office is open Monday to Friday 8:00am – 3:30pm.

If you have any queries please telephone 09 522 9890 or email enrolments@remint.school.nz

Each year In Zone applications for enrolment in the following year will be sought by a date which will be published on our website and in a community newspaper local to the school. This enables the Board of Trustees to assess the number of places that can be available to students who live out of zone.

IN ZONE ADDRESSES

In conjunction with the Enrolment Scheme, Remuera Intermediate operates a school zone. All students who live in the school zone are entitled to attend Remuera Intermediate.

The School Zone map can be viewed on our website www.remint.school.nz to gain a pictorial idea of the School's zoning boundaries in addition to a detailed Zone Description. Please also refer to the In Zone Address List below for boundary and address details.

Each year the board will determine the number of places that are likely to be available in the following year for the enrolment of students who live out of zone. The Board of Trustees will publish enrolment information on our website and in a community newspaper local to the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received. Applications for enrolment will be processed in the following order of priority.

FIRST PRIORITY

This priority category is not applicable at the school because the school does not operate a special programme approved by the Secretary for Education.

SECOND PRIORITY

Will be given to applicants who are siblings of current students of the school.

THIRD PRIORITY

Will be given to applicants who are siblings of former students of the school.

FOURTH PRIORITY

Will be given to applicants who are children of a former student of the school.

FIFTH PRIORITY

Will be given to applicants who are children of Board Employees or children of a member of the Board of the School.

SIXTH PRIORITY

Will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989.

The date of any ballot will be published on our website and in a community newspaper local to the school

In Zone Statutory Declarations

(to be completed by in zone applicants only)

You are reminded that to make a false declaration is a criminal offence. The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in zone living arrangement which they intend to be only temporary. For example:

- Renting accommodation in zone on a short term basis
- Arranging temporary board in zone with a relative or family friend
- Using the in zone address of a relative or friend as an 'address of convenience' with no intention to live there on an on-going basis

If Remuera Intermediate learns that a student is no longer living at the in zone address given at the time of application for enrolment, and has reasonable grounds to believe that a temporary in zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school then the Board may review the enrolment. Unless the parents can provide a satisfactory explanation within 10 days, the Board will annul the enrolment. This course of action is provided under Section 110(A) of the Education Act 1989. Remuera Intermediate may actively collect information to ensure that enrolment data provided is accurate.

I do solemnly declare as follows:

1. That the information contained in this application is true and correct in every respect
2. I confirm that the address which I have provided to Remuera Intermediate School will be the usual place of residence of (Student's name) when the school is open for instruction. ie. First day of term 1.

I will advise the school of any subsequent change of address.

I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths & Declarations Act 1957.
