

2023 Remuera Intermediate School Co-Curricular Music Welcome to our school music programme.

The Remuera Intermediate School Co-curricular Music Programme is available to students who want to extend their current instrumental skills or gain new ones. Students attend weekly practices during the school day through a combination of internal and external tutoring on a user pays basis.

Membership Expectations: Please bear in mind the other commitments you have when planning your co-curricular music involvement. Make sure you do not over-commit yourself. If you are in a co-curricular group you are expected to understand and accept the following principles.

1. A performance takes precedence over any other rehearsal or sports practice
2. A clash of performances or sports games etc. **needs to be negotiated with your conductor or music teacher in charge.** Do not let down your group by simply not turning up without explanation.
3. **Arrive in plenty of time** to set up and warm up ready to start at the designated start time. **Do not arrive at rehearsal time.**
4. Prepare and practise your music between rehearsals.
5. If you are unable to attend a rehearsal due to illness or another valid reason you must notify your teacher in charge in advance. **Email is best.**
6. **The equipment Levy of \$50** - All students will be billed after auditions and sign-up. The Equipment Levy is a one-time annual payment for one or more classes taken at the school.
7. A violin hire charge is \$75 per year.
