## **Board of Trustees Newsletter**

### **Term 1 2022**

Your Board of Trustees have recently completed our second meeting of the year, another one conducted online

We have:

- reviewed and approved our annual budget as well as the school's annual report
- spent time reviewing our student achievement data and discussing the ways in which we are going to support our fantastically resilient staff and our students
- approved the hiring of an additional TA to provide extra support to students negatively impacted over the last 2 years

We are also waiting on the updated tenders for the new changing and toilet block and are in ongoing discussions with the Ministry of Education to progress the remediation work on the main block.

If any of these areas sound interesting to you we would love your involvement. Trustee elections are in September where we will be electing three new trustees from our current six. At RI we run staggered elections every 18 months for half (three) of our community elected trustees to ensure we have continuity in our Board. Every trustee has a three year term.

If you would like to know more about being a trustee there are some great resources on the NZSTA website and you are also welcome to attend one of our meetings to observe what goes on. The meeting dates are on the school website & our next meeting should be in person again on Tuesday 16 May at 6:30pm.
